## CORAM: HON'BLE MR. JUSTICE G.S.SISTANI HON'BLE MR. JUSTICE VINOD GOEL

## G.S. SISTANI, J. (ORAL)

1. Challenge in this LPA is to the order passed by the learned Single Judge dated 15.10.2015 by which the writ petition filed by the appellant association seeking a direction to the respondents not to dispossess the members of the appellant association from their hawking sites i.e. Dwarka Sector-6 Market, New Delhi has been dismissed.

- 2. It is pointed out that the appellant association comprises of 72 members, but for the present only 35 members are in existence.
- 3. The grievance of the appellant is that although they have been squatting at different areas, however they were illegally removed by the respondent DDA on 27.08.2015. Learned counsel submits that the appellants are required to be protected in view of the Section 3 (3) of the Street Vendors (Protection of Livelihood and Regulation of Street Vending) Act, 2014, as per which no street vendor is to be evicted till a survey is completed and certificate of vending is issued to all the He submits that samples of challans issued to the street vendors. members of the association have been placed on record to show that the appellants have been vending since the year 2001. Learned counsel submits that although the learned Single Judge had dismissed the writ petition on the ground that the Town Vending Committee is in the process of being constituted. In fact, the Town Vending Committee is still not in place and in case the appellants are not allowed to vend, they would suffer financial hardships as this is their only source of livelihood.
- 4. We are informed that the writ petition was disposed of on the first date of hearing itself and thus no response was filed by any of the respondents. The position is no different today as there is no response by any of the statutory bodies, who have been impleaded as parties.

- 5. This petition is vehemently opposed by the counsel for the respondent no. 6 (Central Market Sector-6 Dwarka Welfare Association), which was impleaded as a party by an order dated 26.07.2016.
- 6. Learned counsel for respondent no. 6 submits that the appellants are encroachers on public land. They have no right to vend or hawk in an area, which has been declared by the MCD as "No Vending Zones" and "No Hawking Zones". Additionally, it is submitted that along with the LPA, documents pertaining to only five members of the appellant association have been filed, although an impression was created that the documents pertaining to all the members have been placed on record. He further submits that by an order 26.07.2016 a direction was issued to the petitioner to file further documents, however the said documents, which have been placed on record, are forged and fabricated, which would be evident from the fact that the receipts filed at page no. 247, 249 and 259 pertain to different persons but all the particulars on the receipts are same except the name of the persons. Counsel for respondent no. 6 further submits that neither the writ petition was maintainable nor the present LPA is maintainable as the respondent no. 6 has instituted an earlier writ petition with respect to the encroachments of the same area and same market, being WP (C) No. 3521/2006. It is contended that when the aforesaid writ petition came up for hearing on 21.09.2006, the following order was passed:

"Learned counsel for respondent no. 2 shall file a supplementary affidavit indicating the plan/action to remove encroachment, on systematic basis, from the public land in the markets in question. Let the affidavit be filed within four weeks. List on 5<sup>th</sup> February, 2007."

7. Counsel contends that remedial action was taken and the market was cleared of all encroachments, which is evident upon reading the subsequent order passed on 14.02.2008, which reads as under:

"Status report has been filed by both DDA as well as Delhi Police. The photographs show that encroachments have been removed. Details of FIR registered against persons who had encroached upon footpath and other land adjacent to the market have been enclosed with the affidavit.

In view of the action taken nothing survives in the present writ petition. However, it is directed that the respondent/DDA and Delhi Police will continue to make periodical inspections of the area to ensure that footpath and other areas are not encroached upon."

- 8. It is submitted that the appellants in connivance with officials of the respondents continued to flout the orders and the appellants, who are part of the strong mafia, continue to occupy and obstruct public areas in utter defiance of the order passed in W.P. (C) No. 3521/2006, which order was never challenged and has thus attained finality. It is also contended by the counsel for respondent no. 6 that the documents sought to be relied upon by the appellants are unreliable and in fact do not support the case of the appellants that they have been vending at the area in question since 2001.
- 9. Attention of the court is drawn to paragraphs 3 and 7 of the Crl. Misc. Application No. 17488/2016 filed by the respondent no. 6 to show that false and misleading statements have been made by the appellant. The paragraphs read as under: -

"3. That the Appellant filed false affidavit, made false statements and fabricated documents when he filed the present LPA, which is demonstrated below: -

#### S.No. STATEMENT MADE BY ITS FALSITY PROVEN FROM

	APPELANT/BAL KISHAN	COURT RECORD
1.	Mr. Bal Kishan filed a list of 72 persons & annexed some alleged documents in support [Annexures P2(Colly) & P3(Colly) Pg 80 to 96 of LPA] and described them as below: <u>Annexure P2(Colly):</u> "Copies of Challan Receipts of the Vendors" <u>Annexure P3(Colly):</u> "Challan by MCD and confiscation of the items from which they have been vending"	<ul> <li>(a) Scrutiny of these alleged documents showed that even these were with respect to only 5 persons, which was shown for 72 persons and in this garb new encroachment was being attempted.</li> <li>(b) Mr. Bal Kishan had shown no locus to represent anyone or file any legal case before any court, let alone 72 persons and LPA was filed giving some address of Nangloi, which the petition itself stated as residence address of Mr. Bal Kishan.</li> <li>(c) no vending rights were ever granted in this market area, as it is a Non Vending/Non hawking area and rather a Zero Tolerance Zone.</li> <li>(d) there was not even one alleged</li> </ul>
2.	That 72 persons were	document in favour of Bal Kishan. (a) When this litigation started, there
	That 72 persons were operating as vendors in Dwarka Sec. market from the year 2001	<ul> <li>(a) when this hitgation started, there were no vendors in this market area and Bal Kishan himself submitted it, which was observed by High Court in impugned Order dt. 15.10.2015 in W.P(C) No. 9042/2015.</li> <li>"But as per averments in paras 25 and 26 of the petition the petitioners have already been dispossessed on 27.08.2015."</li> <li>(b) Delhi High Court vide Order dt 21.09.2006 in W.P.(C) No. 3521/06 had directed Govt. authorities to remove all encroachments in markets at Sector 6 &amp; 10, Dwarka, N. Delhi and to continue doing so on systematic basis.</li> <li>(c) Delhi High Court vide Order dt. 14.02.2008 in W.P.(C) No. 3521/2006 had observed that there was no encroachment in this market and further directed DDA &amp; Delhi Police to make periodical inspection of market area &amp; ensure that footpath &amp; other areas are not encroached upon by unscrupulous elements. These Orders have been placed on record in present proceedings.</li> </ul>

		(d) Respondent No.6 had filed
		photographs & video showing there are
		no existing vendors in this market area
3.	Mr. Bal Kishan claimed	There is no such association or entity
	himself to be President of an	named Dwarka Sector-6 Vendors
	association named Dwarka	Association. Nothing was placed on
	Sector-6 Vendors Association	record to substantiate Mr. Bal Kishan
	claiming to represent 72	projecting himself as its alleged
	persons	President.

7. That the scrutiny of the Affidavit 10th August 2016 filed by Mr. Bal Kishan and copies of documents annexed, has revealed further false statements by Appellant who has filed another false affidavit on oath before this Hon'ble Court and that Appellant and his accomplices have further forged & fabricated documents to play fraud upon this Hon'ble Court, as detailed below:

#### 7.1: False statements made in the affidavit

		AFANNUAD ST
S.No.	STATEMENT MADE/	ITS FALSITY PROVEN FROM COURT
	DOCUMENTS FILED BY	RECORD
	APPELANT	YXXX
1.	Appellant in para 4 of affidavit has stated: "I say that the appellant association is now filing proof of 37 vendors out of 72	<ul><li>(a) As shown above, when this litigation started, there were no vendors in this market area as submitted by Bal Kishan himself.</li><li>(b) Mr. Bal Kishan filed a list of 72 persons &amp; annexed some alleged documents in</li></ul>
	vendors because rest of the vendors are not having any	support as "Copies of Challan Receipts of the Vendors" AND "Challan by MCD and
	supported documents"	confiscation of the items from which they
		have been vending''
		(c) After the falsity of this statement was
		exposed, now Appellant says only 37
		vendors have any proofs, which means 35
		out of 72 vendors never had any supporting
		documents, as was being falsely claimed.
2.	Appellant now claims that	Scrutiny of even these documents shows
	37 vendors have supported	that even this is false as they are not even 37
	documents	and the nature of documents is commented
		upon against each in the sub-paras below.

- 10. Counsel submits that the documents sought to be relied upon are irrelevant documents as some of the documents are *challans* issued by Delhi Police for storage of garbage. The documents do not connect with the names of the persons and address is not mentioned. It is also contended that once the order passed in WP (C) No. 3521/2006 has attained finality, the matter cannot be reheard and even otherwise the names of the appellants do not find mentioned in any of the earlier surveys carried out pursuant to the directions of the Supreme Court by either Chopra Committee or Thareja Committee. Thus, the appellants are encroachers and cannot be granted any protection.
- 11. We have heard the learned counsel for the parties and considered their rival submissions.
- 12. We find that in response to the submissions made by the learned counsel for the respondent no. 6, there is no satisfactory answer to the submission pertaining to the orders passed in WP (C) 3521/2006 having attained finality. The explanation rendered for not placing proper supporting documents on record by learned counsel for the petitioner is that whenever a raid is conducted by the officials of the

respondents, the vendors are left with no option but to run away from the area with their respective goods, which would otherwise be confiscated and penalty imposed upon them. There is also no explanation with regard to documents filed at page no. 247, 249 and 259 of the paper book, where the receipt number is the same, all particulars remain identical but the receipts stand in the name of Amit, Rahul and Rinku; except that the appellant association has filed a police complaint against two out of the three persons, who have fabricated the receipts. Copy of police complaint has been placed on record along with CM No. 6238/2017.

13. Thus, the appellants have failed to place on record the documents, which would repose confidence in the court that the appellants have been vending at the sites in question since the year 2001. The appellants are unable to show the vital documents in support of this plea. The earlier orders passed and the affidavit filed by DDA in WP (C) 3521/2006 dated 21.09.2006 and 14.02.2008 would show that the area in question was clear of all encroachments even at that stage. In case the appellants were vending at the site, which is disputed by the counsel for the respondent no. 6, the appellants would have approached this court to safeguard their interest in the year 2006 or soon thereafter. Thus, a reasonable doubt is created as to whether these are the same appellants, who were infact squatting at the time when orders were passed in WP (C) 3521/2006.

- 14. Therefore, the protection contained in Section 3 (3) would not apply to the members of the appellant association. Additionally the orders passed by this Court in WP (C) 3521/2006 cannot be allowed to be flouted.
- 15. At this stage, we restrain ourselves from making any further comments or return a finding with respect to the documents filed by some of the appellants on record although the same are not above suspecion or else their rights would be affected in case the members of the appellant association wish to approach the Town Vending Committee in support of their pleas for grant of licences and squatting sites.
- 16. Accordingly, we find no merit in the present LPA, however we make it clear that should the members of the appellant association approached the Town Vending Committee in the prescribed form, their applications would not be rejected merely because they were not found vending at the site in question provided, of course, they are able to place on record supporting documents in support of their plea that they have been vending since 2001. With these observations, the LPA and all applications are disposed of.
- 17. We also direct the statutory bodies to ensure that none of the shopkeepers encroach upon *verandahs* or public land. Counsel for respondent no. 6 also undertakes to the court that none of the members of the respondent no. 6 association will permit any shop keeper or any member of the association to encroach upon public land, extend their shops or encroach upon *verandahs* or public land. The statutory

bodies are directed to take strict action in case of violation of this undertaking.
